Statement of Reasons for Allowance

1. Applicant has amended the independent claims to incorporate the limitations of previous claim 8, previously indicated as containing allowable subject matter. The amended claims require the composition to comprise a mineral oil and a lithium soap thickener. As discussed in paragraph 7 of the office action mailed 3/26/10, the prior art teaches urea-thickened greases meeting the claims, and teaches away from lithium soap-thickened greases. The prior art does not teach grease consisting of a mineral oil, lithium soap thickener, and extreme pressure agents and further meeting the limitation regarding active sulfur.
